--	--	---

The Company will not use your Personal Data for any purpose other than for the objectives listed above, unless processing of Personal Data is otherwise necessary as prescribed in the Personal Data Protection Act B.E. 2562, such as for compliance with the law, establishing legal claims, prevention or suppression of a danger to the life, body, or health of a person.

5. Disclosure or Sharing of Personal Data

1. The Company may disclose or share your Personal Data to the following third parties:

- BDMS Group when the company has a legitimate base to obtain that information.
- Data Processor, as necessary for the performance of work of the Company. The Company requires that the foregoing third parties maintain full confidentiality of and protect your Personal Data in line with the standards prescribed by the Personal Data Protection Act B.E. 2562, and that such third parties are only able to use your Personal Data for the objectives determined or instructed by the Company. Such third parties are not authorized to use your Personal Data for any purpose other than the said objectives.
- Royal Thai Police (for a criminal background check)
- Medical Council and educational institutions both in Thailand and abroad (to check qualifications and educational background)

2. The Company may store Personal Data on a cloud computing system offered by a third party service provider located in Thailand or overseas. In entering into the relevant agreement with such cloud computing service provider, the Company has exercised due care and

consideration of the security systems for the storage of the Personal Data in order to protect the Personal Data.

3. The Company may disclose your Personal Data to the government agencies, competent authorities, or other juristic persons in compliance with the law, or with a court order.

6. Retention Period of Personal Data

1. If you are not selected for the employment, the Company will store the Personal Data which you have provided for a period of one year from the date of receipt of the same. This is retained as evidence in the event of any doubt or complaint relating to unfair selection process for employment with the Company.

2. In order to comply with the law, a court order, or to establish legal claims under the law so as to become a party to any dispute resolution proceedings, the Company may retain the Personal Data for the duration which corresponds with the statutory period under the law, as the case may be.

3. Upon the expiry of the period under 1 or 2 above, the Personal Data will be destroyed by following the Company's procedure for data destruction, and such process shall be completed without delay.

7. Measures for Personal Data Security

1. The Company will store Personal Data using measures that are at least in compliance with the standards prescribed by the law, and using appropriate systems for ensuring the protection and security of Personal Data. These include use of, for example, a Secure Sockets Layer (SSL) protocol, firewall protection, password protection, and other technical measures for online data encryption, and storage of paper-based Personal Data in a facility with restricted access.

2. The Company will restrict access to Personal Data, which may be accessed by employees, agents, business partners, or third parties. Access to Personal Data by third parties is strictly restricted to the extent prescribed or instructed by the Company, and such third party has the duty to maintain full confidentiality of and protect such Personal Data.

3. The Company shall put in place technological methods for preventing unauthorized computer systems access.

4. The Company has an auditing mechanism for destroying Personal Data which is no longer required for the operations of the Company.

5. In the case of sensitive personal data, The Company will provide security measures of the document and electronic data to access and control its use, and backup systems, as well as plans for emergencies. Additional, the company provides a regular risk assessment of the system

8. Transfer of Personal Data Overseas

1. The Company may transfer your Personal Data overseas in order to achieve the objectives as the Company has notified you and for which you have granted consent. The Company will notify you of any inadequacies relating to Personal Data protection standards applicable to the recipient country.

2. The Company may transfer your Personal Data without your consent in the case that transfer of Personal Data overseas is for the performance of an agreement to which you are a party, or compliance with your request prior to entering into such agreement, or as prescribed in the Personal Data Protection Act B.E. 2562.

9. Your Rights As The Data Subject

As the data subject, you have the right to request the Company to take the following acts in relation to your Personal Data, to the extent permitted by law:

1. Right to withdraw consent: you have the right to withdraw consent for the Company to process your Personal Data, for which you had given consent, any time which your Personal Data is retained with the Company;
2. Right of access: you have the right to access your Personal Data and to request that the Company makes copies of the same, as well as request that the Company discloses any acquisition of your Personal Data for which you had not given consent;
3. Right to rectification: you have the right to request that the Company rectifies inaccurate Personal Data, or to add to the existing Personal Data which is incomplete;
4. Right to erasure: you have the right to request that the Company erases your Personal Data, for certain reasons;
5. Right to restriction of Processing: you have the right to request that the Company suspends the use of your Personal Data, for certain reasons;
6. Right to data portability: you have the right to transfer your Personal Data which you had provided to the Company to another Data Controller, or to yourself, for certain reasons;
7. Right to object: you have the right to object to the Processing of your Personal Data, for certain reasons;

To file a request relating to any of the above rights, please contact the address below in No.11.

10. Amendments To The Personal Data Protection Policy

The Company may subsequently revise and make amendments to its Personal Data Protection Policy in order to ensure better protection of Personal Data. The Company will notify you of any revision or amendment.

11. Contact Information
